00404-000 - OUTDOOR GROUND SLEEVE

OUTDOOR GROUND SLEEVE
FOR 4" DIA. UPRIGHTS

SPECIFICATIONS

PORTER No. 00404-000 4" (10.16cm) DIAMETER
OUTDOOR GROUND SLEEVE (EACH)

Ground sleeve shall be designed for use on any outdoor product with a 4" (10.16cm) diameter support post.

Sleeve shall be of a 4-1/2" OD x 7ga steel tube, which is galvanized for maximum corrosion resistance. Sleeve shall be 2'-4" (71.1cm) in total length with a 1/2" (1.27cm) diameter locating/anchor bolt located 2'-0" (60.9cm) below the playing surface. Bottom end of sleeve shall be open to allow drainage into gravel base beneath the concrete footing.

Sleeve shall be installed with top of removable cover plate flush with the playing surface.

Sleeve does not include cover. For cover, part number 73119021 may be ordered separately.
